WHO WE ARE

At Sanskara School, we strive to create a brighter tomorrow by moulding the leaders of the future. Our innovative educational programs are carefully crafted to foster well-rounded individuals who are not only socially conscious but also global citizens.

Our Vision:

To use a holistic pedagogical approach to create new, thinking, innovative and responsible leaders who can meet the challenges of a dynamic global arena.

Our Mission:

To embody the spirit of learning while imbibing core values of character, integrity, loyalty, passion and compassion within the parent, teacher, and student communities.

Child-Centred Learning:

At Sanskara School, every child is valued and we adapt our teaching methods to cater to their unique learning needs. Students take charge of their education, making choices about what they learn and explore.

Our assessments are continuous and comprehensive, following CBSE guidelines in higher classes. Our learner-centred approach emphasizes communication, collaboration, and creativity, and concepts are reinforced through interdisciplinary and project-based work.

Extra-Curricular Programme:

We believe that non-academic activities are essential for personal growth. We offer various clubs and activities - including art, music, dance, theatre and life skills - that build confidence and emotional well-being. With world-class sports facilities, we aim to improve fitness and help build team spirit. Our staff promotes a positive attitude and creates a safe environment for every child.

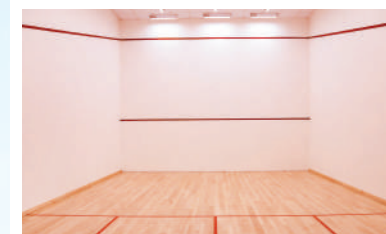

Why Sanskara?

- Smaller classrooms – everybody gets a chance!
- Well-balanced academic and co-curricular activities
- Qualified, experienced and dedicated staff
- Consistent application of aims and objectives
- Experiential learning – i.e., learning through doing
- Focus on developing individual strengths
- Safety – guarded by Infopark campus security

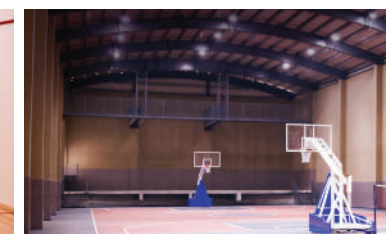

Campus & Facilities:

- Spread over 5 acres in 3 blocks
- More than 100 spacious and well-ventilated classrooms

- Latest technology to enhance the teaching and learning process
- State-of-the-art laboratories for science, computer and maths
- A well-stocked library for students of all ages
- A dedicated sports complex constructed to international standards. 2 Swimming pools, table tennis tables, courts for badminton, basketball and squash. Outdoor facilities include a football ground, cricket nets, track and field. Auditoriums – one small (seats 400) and one big (seats over 2000). Spacious cafeteria providing a wholesome & nutritious diet.
